

STABLE RULES

In order to maintain safety for our clients and horses, Flying Change Stables (FCS) has established the following barn rules.

- ◆ All riders (or guardians) must sign a liability release prior to riding.
- ◆ All riders under the age of 18 **must** wear a helmet while riding at FCS. FCS recommends riders over 18 wear helmets as well.
- ◆ All riders are required to wear appropriate footwear, with a heel, when riding. Riding in rubber boots or tennis shoes is prohibited.
- ◆ No running in the barn.
- ◆ Small children must be supervised by a responsible adult at all times while in the barn.
- ◆ Please keep all gates closed at all times.
- ◆ Please do not leave unattended horses in the wash rack or cross-ties.
- ◆ Exercise caution when utilizing the hot walker—horses must be supervised while walking.
- ◆ Owners and riders are responsible for cleaning up after their horses in the common areas.
- ◆ All horses must be washed in the designated wash area(s). Please return washing equipment to its original position when finished.
- ◆ Please do not hang bulky items on stall doors or fronts (blanket racks are available near the cross-ties).
- ◆ We recommend halters be removed in stalls and paddocks. If a halter must be left on, a breakaway halter is required.
- ◆ Any and all medications shall be administered or applied by Flying Change Stables or attending veterinarian unless special arrangements are made.
- ◆ No smoking in or around the barns.
- ◆ Non-resident dogs must be leashed at all times. Dogs that bark excessively will be asked to leave.
- ◆ In an emergency, a vet will be called if the owner or responsible party cannot be reached or has not taken appropriate measures.
- ◆ Any unnecessary discipline or inappropriate action such as excessive spurring, gross neglect, harmful training “methods,” or drug use (outside of that directed by a veterinarian) will not be tolerated.
- ◆ Flying Change Stables is not responsible for any loss of tack or equipment.
- ◆ ***All riding and handling is done at your own risk!***

Your recognition of the importance of these rules, as well as adhering to them, is greatly appreciated. This is your notice of the barn rules. The above are subject to change or addition at the discretion of FCS.
